ASIA-PACIFIC

DELEGATIONS & MISSIONS · 2026

Upcoming events

We bring governments and industry together across the Asia-Pacific. Our delegations and missions connect clean energy companies with the markets, partners and projects that turn ambition into action.

Powering Renewables Together.

Delivered in partnership with the Smart
Energy Council

INTRODUCTION

Each event below is a curated opportunity to build presence in a priority market, meet credible partners, and open real commercial pathways. Our 2026 program spans Southeast Asia, the Pacific, South Asia and North America.

- REGIONS
- SOUTHEAST ASIA
- PACIFIC
- SOUTH ASIA
- NORTH AMERICA

22–24 OCTOBER 2026

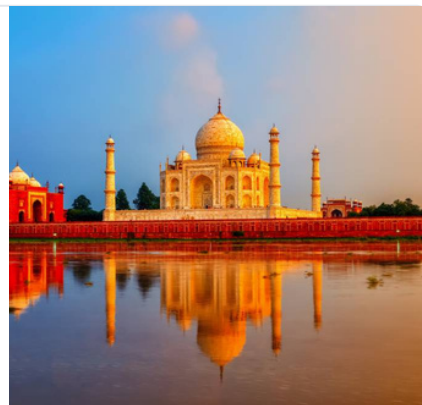

SOUTH ASIA

Bangladesh & India Clean Energy Mission

Dhaka · Delhi / Greater Noida

A two-market mission connecting Australian companies with solar, storage and distributed energy opportunities in Bangladesh and India, anchored around REI Expo in Greater Noida.

Delivered with Smart Energy Council · Austrade

28–29 OCTOBER 2026

AUSTRALIA · INBOUND

All Energy Australia — Inbound Delegation

Melbourne

An inbound international delegation program at All Energy Australia, bringing curated regional buyers and partners to meet Australian clean energy exhibitors.

Delivered with Smart Energy Council · Austrade

11–13 NOVEMBER 2026

SOUTHEAST ASIA

Sustainability Expo — Australian Delegation

Bangkok, Thailand

An enhanced delegation at one of the region's largest sustainability events, positioning Thailand as a hub for clean energy, manufacturing and electrification partnerships.

Delivered with Smart Energy Council · Austrade
